The answer as to what drives this violence is as simple as it is complex and overwhelming – gender inequality. Addressing gender equality and preventing gender-based violence requires systemic change, policy shifts, and long-term investment at all levels of community. Critically, it also requires everyday action from us all.

Everyday Revolutionaries: Gender, Violence and ... Description. Violence in Everyday Life explores how identity markers such as gender and sexuality intersect with violence, synthesizing the themes of gender, sexuality and violence to offering a crucial and coherent framework for understanding the interrelationship between these concepts. Aliraza Javaid explores how violence is experienced at a local, regional and global level, and considers the ways in which hegemonic masculinities are reproduced through violence.

Violence in Everyday Life – ZED Books
The 16 Days of Activism against Gender-Based Violence, which happen each year from Nov. 25 to Dec. 10, offer an important opportunity to step back and consider what we can do all year long to put an end to gender-based violence. Globally, one in three women have experienced physical or sexual violence at the hands of an intimate partner. Roughly 20 percent of women
have experienced sexual ...
